

## EUROPEAN SOLIDARITY CORPS: "FUTURE KINDERGARTENS OF EUROPE 4"

---

**When:** From 01/11/2021 to 31/12/2022

**Where:** Debrecen – Hungary

**Host organisation:** Világjáró Önkéntes Nonprofit Company

**Who:** 6 volunteer

**Deadline for send candidates:** 20/10/2021.

### Summary of the project:

**Vaccination certificate required to participate in the program due to the corona virus (it is possible to vaccinate yourself in Hungary as well).** The "Future Kindergartens of Europe 4" project aims to be the continuation of the "Future Kindergartens of Europe 3" project. We are looking for highly motivated candidates to join our approved ESC project in Debrecen, working with children in traditional kindergartens. There will be 6 volunteers from different countries (Portugal, France, Romania, Germany, Spain, and Italy) in the same project. They will be assisting in day-to-day activities of kindergartens under professional supervision. In these activities, volunteers can try their existing skills, creativity in music and handicrafts, and improve them. We aim to create awareness and openness towards other people and other cultures with creative activities, a healthy lifestyle, and intercultural media. Volunteers will also be involved in the activities of Világjáró Önkéntes in which they can get acquainted with the Erasmus+ Program and have the opportunity to develop their ideas within personal projects. They will have the chance to go to schools and present the ESC as well as share their own country and culture.

## Világjáró Önkéntes Nonprofit Company:

The Világjáró Önkéntes Nonprofit Ltd. was founded in the summer of 2013. The center of the organization is located in the center of Debrecen on one of the university campuses. The founders are experienced youth workers and professionals. Our organization employs an employee who is responsible for everyday work, and a team of volunteers participate in our activities and programs. The founders set up the organisation according to the needs of local youth. Our goals are:

- Development of skills, attitudes and non-formal educational opportunities related to the civic activity of young people based on peer-to-peer teaching methods.
- Training and support of youth workers and professionals in accordance with international experience and methods.
- Organising intercultural events for the meeting of different cultures.
- Building relationships and working with domestic and international organisations in the wake of: 1, developing opportunities for learning, working and mobility in and outside Europe; 2, promoting tolerance and mutual understanding among young people from different cultural backgrounds.
- Promoting volunteering as a learning experience, organising information and volunteering.
- Combating social exclusion, supporting disadvantaged groups and young people
- Organising events to promote the social integration of young people and the reduction of the number of young unemployed. The members of the organization are participants and organizers of a number of domestic and international youth programmes. Our target groups include young workers aged 14-35, youth support professionals, local associations and NGOs. We regularly organize complex youth exchanges involving local volunteers, focusing on media, cultural diversity, solidarity and civic activity. We are also represented at international events organised by our partners.

## Participants profile:

Candidates applying for this ESC Volunteering should meet the following requirements:

- Age between 18-30
- Available for the whole duration of the volunteering period and pre-departure training
- Interest in the work with children and youth or social work in general
- Creative - interested in creating handicrafts, planning&organizing activities, sharing own culture
- Basic English knowledge is a must
- Dedicated, open-minded, communicative and resourceful
- Patient, flexible, easy-going
- Able to work in a team

## Training during the activity:

During their voluntary service, on-arrival training and mid-term evaluation are included as well as the opportunity to take a Hungarian language course in the official online platform.

## Accommodation and Financial Support:

Travel costs will be reimbursed up to a certain amount allocated by the ESC Programme Guide. All participants will have CIGNA health insurance during their volunteering period. Accommodation (rented apartment house with available kitchen goods and equipments) and food will be provided by the host organization. Volunteers will also receive a monthly allowance (5€ per day pocket money).

## How to apply:
