

Dear Sir /madam,

My name is Baltasar Figueiras, primary school teacher at the CRA Rianxo (A Coruña – Galicia, Spain). CRA stands for Grouped Rural School, which means that we have children in kindergarten and primary education together in the same class (children aged 3 to 7).

We have recently been awarded an Erasmus+ KA1 project. It's called RUSTIC-Multigrade and aims to research and learn about specific methodologies used in classes where children of different ages attend together.

As part of this project, we are seeking for 1 school accepting to host 2 of our teachers for a 10 day stay as job shadowers in December-January. All costs incurred by our teachers will be covered by our school.

Is your school interested to host our teachers? If it is, we can immediately set a meeting to discuss details.

Due to the short time we have to implement this activity, we'd really appreciate a prompt answer

Looking forward to hearing from you. Thanks in advance.

Yours faithfully,

Baltasar Figueiras
CRA DE RIANXO
