

**Wanted!**

## 1 VOLUNTEER

**FILM THE INFO IN NORMANDY!**

**Web-reporter**

If you have a movie maker spirit, and you are eager to learn how to lead interviews and edit videos, join our team and become our next Web-reporter for 2022-2023!

### The project

The Regional Youth Information Center Normandy (Info Jeunes Normandie) is looking for 1 european volunteer to inform local youth through video making and editing. The volunteer will:

- **Film and edit videos** in order to inform local youth on our Youtube channel and Instagram account
- Contribute to **create different contents** with a graphic online software (Canva)
- Create **weekly stories and short reels** with the help of another volunteer
- Take part of the organisation of a **local film festival** called "Jeunes en Images"
- Promote **the European Solidarity Corps programme** and encouraging young people to volunteer abroad

### Good to know

- You will work under the supervision of a professional tutor
- You will collaborate together with the organisation's team on other topics: employment, jobs, studies and trainings, leisure time, civil and social rights, etc.
- You will have the opportunity to implement your own project
- You are invited to lead your own activities in order to introduce your culture and language

### What do we do?

The Regional Youth Information Center, known as **Info Jeunes Normandie**, is located in the cities of Caen and Rouen, in Normandy region (France). Each year, our team welcome french and european volunteers.

Our aim is to welcome and inform young people on different topics such as: studies and trainings, employment, summer and student jobs, civil and social rights, youth international mobility, European citizenship...

We are a head of a regional network of professional youthworkers. We collaborate with secondary schools, universities, municipalities, youth centers, etc.

## Practical info

### Where?

Rouen city, France

### When?

From **07/09/2022** to **30/06/2023**  
(10 months)

### Who?

The Regional Youth Information Center Normandy (Info Jeunes Normandie)

### Main topics

Digital skills ; Youth participation ; Youthwork

## Profile wanted!

- You are aged between 18 to 30 years old
- You are creative and curious
- You are used to digital tools and social media (Instagram, Youtube)
- You are ready to talk in public
- You are eager to learn new skills

Being able to speak and understand french is a plus!

## Advantages

According to the European Solidarity Corps programme, the project covers all costs related to:

- Travel from your home country (back and forth),
- Accommodation,
- Food and pocket money (monthly allowance),
- Public transport,
- Health insurance (provided by Cigna insurance).

You will be hosted on the university campus of Rouen. The room will be furnished and has access to a wi-fi connection. There is also public transport available.

You will get:

- a public transportation card;
- a free access to the Online Language Support platform.

You will have the opportunity to develop your own project related to your personal interest.

## APPLY NOW!
