## WE NEED A VOLUNTEER TO JOIN OUR SUPER TEAM!

### WHAT IS THE PIJ?

The **PIJ** is an association whose mission is to inform local youth people. We are member of the "Réseau Information Jeunesse" (Youth Information Network).

The PIJ is able to inform in 9 areas: education, career, european and international mobility, formation, student life, free time, vacation, employment and sport.

**Everyone is welcome at the PIJ! Our service is free, anonym and without appointment during our opening hours.**

The PIJ organizes yearly about **50 events, free and open to every one** in order to dynamise the information and make known our structure.

### THE MISSION?

One of the 9 area of information is the international mobility. The PIJ provides advices to young people in order to organize their foreign mobility project.

The mission will be to share the volunteer experience and **be our ambassador of the European mobility.**
