

CIJ PURCHENA
Purchena Youth Information Office

Dear partners,

[Purchena Youth Information Office](#) is now preparing a project on February 7th to welcome 2 European volunteers from June 2019 till June 2020.

We are looking for two partners to implement this project!

The main tasks of the volunteers will be:

-Support and collaboration with the youth staff in activities of the Youth Information Centre.

-Help and collaboration with youngsters in the preparation of international youth projects, especially the issue of teaching languages and the promotion of the Erasmus+ program (special attention to EVS).

- Collaboration and cooperation in cultural, social and sports activities that are related to rural development and with other organizations (Kindergarden, Schools, associations...).

- We are looking for volunteers, not only to help us to support the Youth Information Office to spread information peer to peer or through internet and social networks or to help to develop youth activities, but we want volunteers who can carry out his/her own workshops and activities.

- Interest and possibilities to carry out his/her different kind of workshops (music, dances, sports, theatre, computers, yoga, video, crafts...) aimed at different sectors of population, mainly children and youngsters but also adults, elder people...

To complete the timetable the volunteer will participate in programs of night leisure and possible activities of weekend

If your organization is interested to collaborate in this project send PIF to this email: cijpurchena@gmail.com
